

“Skateboard Champ”

A REPORTER holds a microphone and interviews the new skateboard champ, CASEY FLASH.

REPORTER

*(to camera)*

Hi I’m Dana Smith, reporting from the Long Beach Skate Park where Casey Flash has just won the half-pipe championship.

*(to Casey)*

Congratulations Casey.

CASEY

Thanks Dana. The rest of these skaters are really good, but I guess I got lucky today.

REPORTER

It was more than luck. You really put on a show out there. What do you think won it for you today?

CASEY

I think the judges liked the 3-60 that I pulled at the end. I got a lot of air, and had fun with the twist. So, yeah, I think it was my ending.

“Skateboard Champ” (2)

REPORTER

And that 3-60 ending got Casey Flash a first place trophy. Anything you want to say to the skateboarders?

CASEY

Yeah. Have fun, catch some air, but ... *(points to his helmet)* protect your brains. Wear a helmet.

REPORTER

Good advice, Casey.

*(wrap-up to camera)*

That’s it from the Long Beach Skate Park. I’m Dana Smith, now back to you in the studio.
