

## The Best Birthday Party Ever

- A Are you coming to my birthday party Saturday?  
B Yeah, definitely!  
A Great.  
B Are you having a balloon bounce?  
A Nah, my mom thinks they're dangerous.  
B Are you having a magician?  
A Nah..... My dad says it's too expensive for us right now. Besides, everybody does that nowadays.  
B Okay. Are you going to have a clown?  
A No. My little brother is afraid of clowns.  
B So what are you having?  
A My parents said they want me to have an old-fashioned birthday party like they had when they were my age.  
B Cool. What are you having?  
A Just a big, giant chocolate cake and some funny birthday party hats!  
B Really?! That's all you're having?!A Nope. I'm having one more thing. The most important thing.  
B What?  
A I'm having all my super-awesome friends! That's the best part of all!!

- B. This sounds like a weird party! It's so different from the big fancy birthday parties all the other kids have!  
A Exactly. So you're gonna be there, right?  
B Yeah. Definitely. I wouldn't miss it!  
A Great.  
B Looking forward to that big, giant chocolate cake, my friend.  
A Glad to hear it.  
B Glad to say it.  
A Glad to share it.  
B Glad to eat it.
