

What Kind of Music Do You Like?

- A Hey, do you want to hear some new music I got?
- B Sure. Sounds like fun.
- A Okay. What kind of music do you like?
- B I like all different kinds, but country music is probably my favorite!
- A Yuck! Sorry I even asked! That's cowboy music!
- B No, not really. Country music has all kinds of good stories.
- A What's good about them?
- B I don't know. They're good stories about life, about all kinds of places you can visit. Country music makes me think of all the different places you can go.
- A Yeah, but they're all Yo-Ho cowboy places.
- B Not really. Besides, we shouldn't make fun of people just because they come from a different place, or because they like something different than we do. Even different music. That's almost like bullying.
- A Oh, come on! That's not bullying.
- B It's like you're judging people, though.
- A I'm not judging.
- B But you're making fun of people.
- A Yeah, but ... but ...
- B But what?

- A I'm making fun of people I don't even know!
- B And I'm just saying it's not nice to make fun of people.
- A And they're Yo-Ho cowboy people. Come on! What's the big deal?
- B I don't think it's very nice. You wouldn't like people making fun of you.
- A But I never even met them!
- B It's still not nice.
