

● "Stolen Keys"

Taylor is in the library when Callie RUNS IN.

CALLIE

Here! Hide these room keys!
Whatever you do, don't tell Mrs.
Baker where you got
'em cause I DIDN'T DO IT!

She drops them like a hot potato.

TAYLOR

Neither did I!...Do what?! Why do
you have her keys?

CALLIE

Some guys were playing a trick on her
and locked her out of her room, and
they just shoved them at me and ran!

TAYLOR

So you just hand them to me?!
Thanks a lot.

(looks, thinks)

I know. We'll just leave them at the
librarian's desk, then pretend we're
sick and go to the nurse's office.
When she finds them, we'll be way
over there.

"Stolen Keys" (2)

CALLIE

Great idea. You're the best friend I
ever had.

They do a pinkie handshake.

TAYLOR

Friends forever.

They cough and sneeze their way toward the
desk, but just as they are about to drop the
keys and run...

MRS. BAKER (O.S.)

Girls! Are those my room keys?!?

They freeze in their tracks, eyes big. Then--
they turn and POINT AT EACH OTHER.

BOTH

She did it!!

(Mrs. Baker is an off-screen or off-stage voice).
